National decision

ALCAMO, SICILY (UPI)— Vito di Graziano, 18, has been barred from attending any public school in Italy for the rest of the year for playing a guitar in class.

The teachers council of the Alcamo High School ruled that Di Graziano's impromptu concern "violated discipline, morality and the decorum of the school."

HOUSTON (UPI) — R. E. Fox Jr. was up early in his kitchen when he noticed the doorknob on the kitchen door was turning.

Fox, aware a cat burglar had been operating in the neighborhood, crept to the door, quickly opened it and caught the "burglar" — his neighbor's cat.
